

CHC43015 Certificate IV in **AGEING SUPPORT**

SPECIALISATION – AGEING SUPPORT

This qualification prepares support workers for specialised roles in aged care across residential, home, or community settings.

RTO TOID: 41290

**ENROLL
NOW!**

At **Training Practical Solutions Consultancy (TPSC)**, our mission is to continuously improve the quality of workplace education and training through actively promoting and applying principles of Practical Solutions.

QUALIFICATION DESCRIPTION

This qualification reflects the role of support workers who complete specialised tasks and functions in aged services. Workers will take responsibility for their own outputs within guidelines and maintain quality service delivery. Workers may be required to demonstrate leadership and have limited responsibility for the organisation and the quantity and quality of outputs of others within limited parameters.

WHAT'S IN IT FOR YOU?

You will build a foundation for further studies in aged care, or pursuing development and a pathway to the Diploma of Community Services for future managerial roles.

CUSTOMIZED TRAINING FOR WORKFORCE GROWTH

The course is designed for you to work within community, homes and/or residential settings.

This course will help you pursue a career in providing specialised aged care services, and upon completion, you may want to pursue further education in:

- CHC52021 – Diploma of Community Services
- CHC53415 Diploma of Leisure and Health
- CHC62015 Advanced Diploma of Community Sector Management

PRIOR SKILLS, KNOWLEDGE AND WORK EXPERIENCE

No licensing, legislative, regulatory or certification requirements apply to this qualification at the time of publication. The skills in this qualification must be applied in accordance with Commonwealth and State/Territory legislation, Australian standards and industry codes of practice.

QUALIFICATION INFORMATION

There is no entry requirements and this qualification is delivered over **52 weeks of study** which includes **42 weeks** of training and assessment and self-study (excluding **3 weeks of work placement**) and **7 weeks of holidays/study** break for self-place learning and reflection.

After successful completion of the course, you can apply for jobs in the aged care community such as:

Care Service Team Leader in Aged Care

Supervises and coordinates daily care services to ensure quality support for clients.

Senior Community Care Worker

Delivers advanced personal and social care to clients and mentor junior staff.

Assistant Aged Care Coordinator

Supports the planning and management of care services.

Assistant Aged Care Team Leader

Coordinates a team of care staff and ensure client care plans are followed effectively.

In-home Respite Care

Provides temporary in-home care to give family caregivers a break from their usual duties.

Service Coordinator

Oversees care services, ensuring resources and staff meet client needs.

Aged Care Activity Worker

Plans and facilitates recreational and social activities that enhance the well-being of clients.

To achieve this qualification, you will need to complete these 18 units of competency.
